Employment:

Design Office Assistant at Carnegie Mellon University

January 2023 - Present

- Managed inventory of critical supplies in the office
- Assisted students and faculty by answering questions and directing them to appropriate resources
- Organized incoming packages and notified recipients

Relevant Projects:

Typographic Poster - October 2022

- Used Adobe Illustrator and Photoshop to create a poster advertising a local film festival.
- Applied principles of hierarchy to arrange given text about the event.

Typeface Spread - November 2022

- Used Adobe Indesign and Photoshop to design a two page spread about a typeface.
- Arranged elements into a given grid layout to form a cohesive design.

Typeface Animation - December 2022

- Used Adobe AfterEffects and Illustrator to create a 60-second animation about a typeface.
- Considered rhythm and pacing to create an enjoyable and informational video along with music.
